Other Services - No Pets, No Problem!

Don't need pet related services, but interested in some of our services on a stand-alone basis? No problem. We offer several services to our clients separate from pet care. For example, call us about these other services:

- House Sitting
- Plant Care
- House Cleaning

*All visits require a registration form on file. This helps us provide the requested service accurately, as well as provides us a way to keep up-to-date records of important phone numbers, instructions, likes and dislikes, and other important information. Be sure to send us an updated form any time something changes to ensure we are able to provide you and your pets with the best service. Visit www.pawspatrol.net/Standard_Rates.html to download the latest version of the **PAWS INFO FORM**.

**Some restrictions may apply to quoted rates, your final rate will be determined at the time of consultation. Some variations that may affect pricing could include number and size of pets, number of plants for plant care services, other special requests or circumstances, etc.
